Friday  
Identity (continued)  
Monday  
Exam Review

---

## Lecture Outline

Project 1 Solution Discussion  
Design Principles (Finish)  
Identity  
Identity on the web

---

## Key Points

- Describe 4 out of the 8 design principles in detail.
- What is a principal in the context of identity?
- Describe the difference between a CA issuance versus authentication policy.  
Why should there be different policies rather than a set policy for all?
